### To Whom it may concern: Professional Reference

Rolls-Royce Power Systems – a business Unit of Rolls-Royce – recently organized the Global Distributor Principal Conference at the Anantara Grand Hotel Krasnapolsky in Amsterdam from May 10<sup>th</sup> till 12<sup>th</sup>, 2022

The highlight of our conference is always the Awards Reception. A celebratory evening event at the close of our conference to recognize the highest performers amongst our partners. For this special event we selected Jeroen van Ark, owner of Next Level DMC, and his team. And I'm happy to tell you that we couldn't be more pleased.

Next Level DMC provided an outstanding concept for our program including the event location, transportation, entertainment, décor, and menu. Their attention to detail, quality and willingness made it clear they were the right partner for us. The end result was even better than the pitch! Jeroen and team left no stone unturned to ensure our guest had a night to remember.

I personally would like to say thank you to Jeroen and his team for an amazing job. You navigated our challenges in very professional and efficient way. You were always forward thinking and had a positive attitude. It is in these details when you know you've selected a partner and not just a vendor.

For any next event in the Netherlands I would clearly love to work with Jeroen and his team once more. You should do the same!

Yours sincerely

Rolls-Royce Solutions GmbH
