To Whom It May Concern,

I am pleased to write a reference for Nick, who I worked with via NLDMC to help with the pre-event planning and onsite delivery of key networking receptions and parties at the launch of HLTH Europe last June.

Nick's local knowledge and contacts were invaluable; he was aware of key road closures which could have affected our event prior to the coach companies notifying us and proactively sought out possible alternative routes to prevent disruption. He also assisted us in sourcing a number of innovative suppliers, many at short notice. This is testament to the great relationships and network he has built up in the industry.

Nick's attention to detail is second to none, he was on top of all arrangements at all times, coordinating his colleagues and wider team to ensure everything was delivered as planned. He worked tirelessly to finalise last minute requests and changes to schedules for our live act, to ensure everything ran smoothly for our key evening reception.

He has great foresight, and was quick to put plans in place to tweak arrangements where needed, in response to the live nature of the event.

Nick is extremely professional, hugely personable and has the most unflappable nature. He is definitely someone you want at your events and we're looking forward to working with him again for HLTH 2025!

Sincerely,

Charlotte Masters

Head of Logistics, HLTH Europe
